

# O'NEILL COMMUNITY FOUNDATION

## APPLICATION FOR FUNDING

The O'Neill Community Foundation has now raised an endowment fund totaling approximately **\$230,000** to benefit the inhabitants of O'Neill and its regional community. Each year, a portion of the earnings will be granted back to the community in the form of grants. **For 2010, approximately \$6,000 will be awarded to community organizations.** Each year, the Foundation Board intends to provide funding for strategic community betterment and economic development projects that will enhance the long-term success and sustainability of O'Neill.

The Foundation Board will prioritize funding for projects that are strategic, that create and include leverage, and that will likely **not** find funding from other government or charitable sources. The OCF is an affiliated fund of the Nebraska Community Foundation, Inc.
